ACADEMIC DETAILS

COURSE	SPECIALIZATION	INSTITUTE	BOARD	SCORE	YEAR
CLASS XII	SCIENCE	Father Agnel School, Noida	CBSE	93.8%	2022
CLASS X	GENERAL	DPS Indirapuram	CBSE	92.2%	2020

INTERNSHIPS AND PROFESSIONAL EXPERIENCE

Product & GTM Intern under ex- Product Leadership from Uber & Meesho ***Sept 2025 - Nov 2025***

- Built an **automated lead sourcing & scraping system** to identify **~1,000** leads from Reddit & Instagram, streamlining the entire sourcing pipeline.
- Drove **−1 → 0 product discovery**, testing hypotheses through user interviews and iterated on **low-fidelity prototypes** to test customer adoption.
- Ran **growth experiments (marketing assets, landing pages, funnels)** to gauge customer interest and validate demand across multiple problem spaces.

Founders' Office Intern, Shoffr ***June 2025 - Aug 2025***

- Assisted with **client outreach**, follow-ups, and coordination, contributing to customer acquisition efforts.
- **Helped explore and pilot** a potential new business channel through **research, documentation, and execution support.**
- **Researched and explored** a potential customer loyalty initiative, supporting early structuring and internal discussions.

Founders' Office Intern, Pinch ***April 2025 - May 2025***

- Led end-to-end operational streamlining of **supply chain and finance processes**, **reducing turnaround time (TAT)** and improving cross-team efficiency.
- Spearheaded the creation of detailed **Product Requirements Documents (PRDs)**, collaborating with product, design, and engineering teams.
- Diagnosed workflow inefficiencies and built Google Apps Script automation to enhance scalability and minimize manual errors.

Teaching Assistantship, Writing Practice & Environmental Sciences, BITS Digital ***Sept 2025 - May 2026***

- Evaluated and graded **~1000+** assignments and papers, providing constructive feedback to help students enhance their academic writing skills.
- Supported course instructors in planning exercises, managing schedules, and maintaining classroom resources.
- Monitored student progress and collaborated with faculty to implement targeted learning interventions.

PROJECTS

Sahaay - Hyperlocal Women's Safety App *(Flutter + Firebase)*

- Built a **full-stack Flutter app** with **real-time SOS triggering, geo-matched responder system, & consented victim–responder connections (chat/call).**
- Designed end-to-end from **PRD to working prototype,** including community **crime heatmap** and core user flows using **Claude Code.**

Lead Sourcing Engine *(Python + Selenium)*

- Engineered a dual-platform scraper across Reddit **(comment-intent parsing)** and Instagram **(hashtag traversal + follower filtering + contact details).**
- Automated pipeline surfacing **~1,000 qualified leads**, structured and **exported to Excel** for targeted outreach.

Coursera Auto-Grader Script *(Vanilla JS, Browser Automation)*

- Built a console-injectable JS script automating rubric-based grading across 1000+ submissions with a plagiarism-to-score weighted algorithm.
- Handled edge cases (no file, no text), auto-pagination across learner pages, and safeguards against double-grading, reducing grading time by ALOT.

POSITION OF RESPONSIBILITY

Led Mentor & Government Relations at Conquest, Asia's Largest Student- Run Startup Accelerator (E-Cell, BITS Pilani) ***Feb 2024 - August 2025***

- Evaluated **1000+ startups**, led **120+ founder interviews**, and assessed **200+ pitch decks**, driving end-to-end mentor matching across the cohort.
- Personally interfaced with **Sumeet Jarangal (Director, Startup India)** to bring in strategic initiatives and government support for Conquest.
- Negotiated key partnerships saving **₹5L+** and curated an audience of **300+ top-tier VCs, founders, and Industry Leaders** for flagship events.

Joint Coordinator, BITS Pilani Consulting Club ***June 2024 - August 2025***

- Led consulting projects for **Infosys, Visit Health, and Origin Health**, delivering across **growth, GTM, ops, and customer segmentation.**
- Secured **₹60K in sponsorship from Infra.Market** and drove **1300+ registrations** for CaseQuesta, Apogee's flagship consulting event.
- Partnered with **The ARC** to execute an **Inter-BITS consulting competition**, expanding cross-campus engagement and participation.

RESEARCH EXPERIENCE

Research Study: Financial Management of MSMEs in Rajasthan (Prof. Rajesh Matai**, Senior IEEE Member)** ***Jan 2026 - May 2026***

- Conducted **Panel Data Regression** on 15 years of MSME data **(Prowess, CMIE)**, extracting firm-level datasets to analyze financial performance.

Laboratory Research Project: Lung Fibrosis (Prof. Rajeev Taliyan, **HOD- Pharmaceutical Sciences)** ***Jan 2026 - May 2026***

- **Selected among 6 students across 4 batches for a lung fibrosis research program, applying cell culture techniques to support experimental analysis.**

Exploring Menstrual Blood-Derived Stem Cells (MenSCs), (Prof. Aniruddha Roy) ***Aug 2025 - Dec 2025***

- Initiated independent research, contributing **personal biological samples for stem cell isolation** in an **under-explored, stigmatized domain.**

ACCOMPLISHMENTS AND EXTRA CURRICULAR ACTIVITIES

- Secured **4th position among 370+ participants** at Nexus – The Strategy Enigma, **IIM Lucknow x IIM Rohtak**
- **National Finalist**, B-Plan Competition, IIT Bhubaneswar
- **Winner,** Multiverse of Marketing, BITS Pilani
- **Finalist, D. E. Shaw & Co. Finspire Fellowship Program**
- Selected for Harvard Project for Asian and International Relations **(HPAIR'24)**
- Scored **99.9 percentile in Chemistry (CUET)**
- **Best Delegate,** All India Political Party Meet (MUN)
- **Member, Dance Club, BITS Pilani**
